

Virtual Patent Marking

The following Aura Optical Systems products are protected by patents in the U.S. and elsewhere. This document is provided to satisfy the virtual patent marking provisions of various jurisdictions, in particular it is intended to serve as notice under 35 U.S.C. § 287(a). Additional patents may be pending in the U.S. and elsewhere. Further, the following list of Aura Optical Systems products may not be all inclusive, and other Aura Optical Systems products not listed here may be protected by one or more patents.
